

## ICAR-NRCE participates in Northern Zone Agricultural Fair at ICAR-IVRI Izatnagar (Uttar Pradesh)

ICAR-National Research Centre on Equines participated in Northern Zone Agricultural Fair at ICAR-Indian Veterinary Research Institute Izatnagar (Uttar Pradesh) with exhibition stall of ICAR-NRCE during March 17-20, 2015.

NRCE Exhibition stall was visited by Dr Gurbachan Singh, Chairman ASRB, New Delhi, Dr A. K. Singh, DDG Extension ICAR, Dr P K Uppal, Former Director NRCE and other dignitaries accompanied by Director ICAR-IVRI. The ICAR-NRCE exhibition stall displayed information on different breeds of horses, information on different aspects of equine husbandry and management and technologies, vaccines, and diagnostic kits developed at NRCE for information dissemination among visitors and farmers.

Extension literature on equine husbandry was provided to farmers and equine owners. Information about institute activities and technologies developed at NRCE was given to ICAR-IVRI faculty, students, farmers, visiting dignitaries and officials at the ICAR-NRCE exhibition stall.
